Aquaviva Grace

Aquaviva Herd Reduction Sale

Name	Aquaviva Grace				
Ear Tag	AQUP0008	Registry No.	1021149		
Birth Date	22-Mar-2018	Sex	Female	Phenotype	Huacaya
Colour	Solid White				
Sire	Aquaviva Waratah Flats Achilles - MF (80722)				
Dam	Aquaviva Pearl - (S)W (1010410)				
Description	<p>Grace is a young white female born in March 2018. She is very friendly, inquisitive and gentle, and she has been halter trained. She should settle well in a new herd.</p> <p>Grace's mum Aquaviva Pearl combines the genetics of our leading low micron dam Eringa Park Aroma and dense well structured fleece from the line of Homestead Farm Apollo. Grace has fine, wavy, lustrous and soft fleece.</p>				
Fibre	Grace's fleece has not been tested because she has not been shorn yet. A fleece test can be arranged on request.
