<b>Sire</b>	Aquaviva Waratah Flats Achilles - MF (80722)				
<b>Dam</b>	Aquaviva Rafaella - (S)W (1005037)				
<b>Description</b>	<p>Raindrop is a young white / very light fawn female with dense and soft fleece. She was born in January 2018 and is well grown for her age. She should be capable of getting pregnant next year.</p> <p>Raindrop's mum Aquaviva Rafaella has excellent genetics, coming from two supreme champions Aquaviva Stardust and Aquaviva Raphael. Raphaella's fleece was very even, dense and soft, of high commercial quality. Raindrop's sire Waratah Flats Achilles fathered some very good breeding stock offspring. Two of Raindrop's male siblings became stud males, and one of half-siblings was exported to Europe.</p> <p>Raindrop is very friendly, gentle and halter trained. She got 3rd place at AANZ Southern Region Colourbration Show in September 2018.</p>				
<b>Fibre</b>	Raindrop's fleece has not been tested because she has not been shorn yet. A fibre test can be arranged if requested.
